About This Content

From precious jewels snatched by a simple cat burglar to the most elaborate robbing of a casino, there's something so thrilling about executing the ultimate heist....

Composed by Murray Atkinson from VGM Library, Heist features an impressive line-up of swanky themes inspired by some of your favorite thief movies. Featuring music ranging from modern cyber crime, synth propelled techno chill, to Oceans 11 inspired acid jazz, some vintage cop show 70s flavored funk / R&B, and some dramatic orchestral crime-in-progress themes perfect for breaking into buildings, picking locks, or raiding the bank vaults at midnight. What are you waiting for? Grab a copy of this pack and get planning!

This pack contains:

- 10 exciting music themes

- 33 slots sounds - perfect for the casino floor!

- .wav, .ogg, and .mp3 formats included.

- Royalty free music to use in your commercial and non-commercial RPG Maker projects.
